TUESDAY, JUNE 13

	Mandalay Bay H	Lagoon KL	Lagoon IJ
6.00-8.30	BREAKFAST		
8.30-9.45	GENERAL SESSION		
10.15-11.00	DIGITAL MANUFACTURING KEYNOTE The criticality of digital and smart manufacturing Mandalay Bay H		
	BREAK		
11.30-12.15		Siemens DI SW What's Cool in Part Manufacturing	FORD Driving Manufacturing Engineering Innovation Using Embedded 3D PMI
12.15-1.45	LUNCH BREAK		
1.45-2.30	Siemens DI SW Extend your Teamcenter implementation to Manufacturing	Northrop Grumman A journey in connecting manufacturing to the digital thread	Northrop Grumman Human Factors Analysis using Process Simulate
2.30-3.00	BREAK		
3.00-3.45	Siemens DI SW What is new in our Manufacturing Operations Management (MOM) Portfolio	ROLLS ROYCE Changing the Culture Through Machining Technologies Innovation	THK Optimized scheduling with Plant Simulation
3.45-4.15	BREAK		
4.15-5.00	Siemens DI SW Product Lifecycle Management meets sustainable Supply Chain		Interlatin Modeling and dynamic simulation of gantry Loaders for the application of high precision machining
5.00-7.00	SOLUTION CENTER PARTNER & SPONSOR RECEPTION ALL ATTENDEES		

Please note: This agenda is subject to change. Changes can occur up until the start of the event.

Digital Manufacturing @Realize Live Americas

WEDNESDAY, JUNE 14

	Mandalay Bay H	Lagoon KL	Lagoon IJ
6.00-8.30	BREAKFAST		
8.30-9.45	GENERAL SESSION		
10.15-11.00		Hermle / Janus Engineering Closed-loop manufacturing, pre-defining measurement tasks for machine tools in CAM	
11.00-11.30	BREAK		
11.30-12.15	Siemens DI SW Extend your digital twin for service management and lifecycle excellence	FORD Optimization of Toolpaths generated in NX CAM using NX Exchange from Third Wave Software	ATS Global APS+MES: 1+1=3
12.15-1.45	LUNCH BREAK		
1.45-2.30	Siemens DI SW Building a Digital Twin for the Industrial Metaverse using Process Simulate	A+B Solutions Introduction to the integrated tool process with Teamcenter	Siemens DI SW Reimagine MES personalization with embedded low-code platform
2.30-3.00	BREAK		
3.00-3.45	Siemens DI SW What's New in the Manufacturing Plant Engineering Applications	CERATIZIT Ceratizit High Dynamic Turning Tools and Siemens NX CAM	ARCA Continental / Engineering How Opcenter Drives Smart Manufacturing for Arca Continental
3.45-4.15	BREAK		
4.15-5.00	SIXDIGMA	Maya HTT Realizing the full potential of additive: Designing support structures for machining fixturing	
6.00-9.00	THE CELEBRATION: TRANSFORMING THROUGH THE DECADES ALL ATTENDEES		

Please note: This agenda is subject to change. Changes can occur up until the start of the event.

Digital Manufacturing @Realize Live Americas

THURSDAY, JUNE 15

	Mandalay Bay H	Lagoon KL	Lagoon IJ
6.00-8.30	BREAKFAST		
8.30-9.15		A+B Solutions Automation is nothing without Integration	AlphaStar An Integrated Build Simulation Solution for Polymer Additive Manufacturing Processes
9.15-9.45	BREAK		
9.45-10.30		Siemens Energy Adaptive Toolpathing by Siemens Energy	Siemens Digital Logistics Shift Left – Bringing Supply Chain & Logistics to the beginning
12.00	BOX LUNCH & TRAVEL ALL ATTENDEES		

Please note: This agenda is subject to change. Changes can occur up until the start of the event.
